If you attend one of the above sessions we have crafted a few questions you should ask the candidates.

#1: Are you in favour of contracting core services in the city?

#2: Are there any services the city provides that you feel they need to get away from?

#3: Do you feel that citizens are getting good value from frontline staff?

#4: What's your philosophy on P3s?

We are also endorsing the following candidates in vacated wards: 4, Aaron Paquette; 5, Miranda Jimmy; 9, Rob Agostinis.

We are proud to support Gale Kutcher in her bid to be re-elected as Mayor of Fort Saskatchewan. Please also consider Frank Garritsen, Don Leeman and Deanna Lennox for council.
